No Show Policy

If you are unable to keep a scheduled appointment, please let us know 24 hours in advance. A **NO SHOW** is when a patient fails to keep a scheduled appointment. A no show will generate a \$25.00 fee that will not be billed to the patient's insurance company and could result in being discharged from the practice at the physician's discretion. Missing three appointments in a twelve month period will result in being discharged from the practice.

We thank you for your assistance in this very important matter.
